THOMAS FREEMAN

THE HEREIN COMMERCIAL SECURITY AGREEMENT (hereinafter "AGREEMENT") is made and entered into on 161181 ab initio , by and between the actual living breathing man, Thomas Freeman (referred herein as "secured party" and also known as the creditor or holder-in-due-course), and the juristic person/strawman/legal entity/ individual/(one person) corporation/fictitious corporation, JACQUELINE L. FREEMAN (and/or any derivative thereof) (referred herein as "Debtor"), with or without assigned governing issued identifying number, including Social Security Number, Taxpayer Identification Number, Employer Identification Number, etc. The herein AGREEMENT supersedes and replaces, nunc pro tunc, any presumed, implied, assumed, or actual co-business partnership, attorney-in-fact, trustee, fiduciary, or accommodation party arrangements that may have existed between the actual Thomas Freeman secured party and the State created legal entity, Debtor, in the public government.

NOW, THEREFORE, the parties hereby agree as follows:

INFORMATION IDENTIFYING THE PARTIES IN THE HEREIN SECURITY AGREEMENT

Nature of Secured Party

To the best of the secured party's knowledge and understanding the events described in this section happened.11161963 Mother of DEBTOR assisted and witnessed her live infant Jacqueline Freeman separate from her womb into the world on 11161963, within the geographical boundary of the texas state Republic in harris county, in the city of houston. IMPORTANT NOTE: When life started for Jacqueline Freeman she acquired two (2) fundamental characteristics from the Creator of the Universe.

1. The first (1st) was unalienable rights.
2. The second (2nd) was the power to protect those unalienable rights. The first (1st) characteristic can never be given up or lost, but the second (2nd) characteristic can be surrendered or transferred through the use of a financing statement to another party (creditor). However, the secured party (holder-in-due-course) can at any time reclaim the second (2nd) characteristic by canceling the financing statement with the creditor (per U.C.C. § 9-103).

Nature and Origin of Debtor

To the best of Debtor's knowledge and understanding the following information is how the Debtor was created and has existed. The Debtor was created by requesting and/or obtaining a social security number for the Debtor and/or the mother of the Debtor filling out an application (financing statement) for a live birth registration for her infant in 1963. The application was subsequently pledged by the health provider Jefferson Davis Hospital, to the public register of the corporate STATE OF TEXAS. The government presumed and assumed the registration of the pledged infant live birth application (financing statement) with the corporate STATE transferred title and jurisdiction of the live infant from the parent to the corporate STATE, and by operation of law the government created a birth certificate which is the government's self-created document of title for its new "property" known as the Debtor/14th Amendment person/U.S. Citizen/resident.

There was no disclosure of constructive possession by the government to the parent or infant of the consequences, obligations, and/or loss of the infant's power to protect his unalienable rights then or later. In time an innocent and unknowing co-business partnership developed between the secured party (actual man) and the Debtor (legal entity). The secured party innocently and unknowingly used and participated in government public benefits and privileges made available through the Debtor, and under partnership contract law the secured party unknowingly became the liable fiduciary for the look-a-like Debtor. After the government assumed title to the infant and subsequently created the Debtor, the Debtor was pledged, as a fictional substitute for the future live infant's energy and labor (sweat equity), to fund the debt of the bankrupt U.S. government and Congress, thereafter used the pledged Debtor to create debt instruments while holding the Debtor and secured party liable through their co-business partnership arrangement, for the security and surety of the debt. The Debtor was created by the fiction corporate STATE for providing an avenue or pipeline for interfacing with the actual man known as the secured party. By the government not disclosing its creditor status over the Debtor, the actual man (secured party) unknowingly and innocently volunteered becoming the accommodation party for the debts and obligations of the Debtor and the corporate STATE and subsequently found himself (the actual man) in a condition of involuntary servitude to the government.

OBLIGATIONS SECURED

The security interest granted herein secures any and all indebtedness and liabilities, whatsoever, owed by Debtor to secured party, whether direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising, and howsoever evidenced. The herein security interest is also given to secure any other debts which may be owed by Debtor to secured party from time to time as stated herein. Debtor agrees all collateral will be held in the possession of secured party until the herein security agreement is terminated in writing by the secured party.

FIDELITY BOND

Know all men by these presents, that DEBTOR, JACQUELINE L.FREEMAN, establishes this bond in

favor of Secured Party, Thomas Freeman, in the sum of present Collateral Values up to the penal sum of One Hundred Billion (100,000,000,000.00) United States Dollars Silver, for the payment of which bond, well and truly made, DEBTOR binds DEBTOR and DEBTOR'S heirs, executors, administrators, and third-party assigns, jointly and severally, by these presents. The condition of the above bond is: Secured Party covenants to do certain things on behalf of DEBTOR, as set forth above in Agreement, and DEBTOR, with regard to conveying goods and services in Commercial Activity to Secured Party, covenants to serve as a transmitting utility therefore and, assurance of fidelity, grants to Secured Party a Security Interest in the herein-below described collateral.

This bond shall be in force and effect as of the date hereon and until the DEBTOR'S Surety, Thomas Freeman, is released from liability by the written order of the UNITED STATES GOVERNMENT and provided that said Surety may cancel this bond and be relieved of further liability hereunder by delivering thirty-(30-)day written notice to DEBTOR. No such cancellation shall affect any liability incurred or accrued hereunder prior to the termination of said thirty-(30-) day period. In such event of notice of cancellation, DEBTOR agrees to reissue the bond before the end of said thirty-(30-) day period for an amount equal to or greater than the above-stated value of this Security Agreement, unless the Parties hereto agree otherwise.

POWER OF ATTORNEY

Debtor hereby authorizes and appoints secured party to act as Debtor's agent and/or attorney-in-fact, irrevocably, with full power of substitution to do the following: (a) indorse or otherwise sign, without liability, all documents and instruments, of any type or nature, Debtor's signature where Debtor's signature is requested or required for the purpose of authenticating the writing in all commercial activity between Debtor and other juristic persons; (b) demand, collect, receive, receipt for, sue, and recover all sums of money or other property which may now or hereafter become due, owing, or payable the Debtor; (c) execute, sign, and indorse any and all claims, instruments, receipts, checks, drafts, or warrants issued in payment for the collateral; (d) settle or compromise any and all claims, now existing or hereafter arising, against Debtor and/or any collateral; and (e) file any claim(s) or take any action or institute or take part in any proceedings, either in his own name or in the name of the Debtor, or otherwise, which in the discretion of secured party may seem to be necessary or advisable. In addition, the signature of secured party on any instrument, license, permit, or any document now existing or hereafter arising, upon which the name of the Debtor is, howsoever evidenced, is hereby the authorized signature of secured party as agent representing Debtor. In addition, the secured party may, on behalf of and in the name of the Debtor, receive, open, and dispose of mail addressed Debtor, and change any address to which mail and payments are to be sent. This power is given as security for the indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by the secured party in writing.

PERFECTION OF SECURITY INTEREST

Debtor agrees executing such financing statements and to take whatever other actions are requested by secured party to perfect and continue secured party's security interest in the "collateral." Secured party may, without further authorization from Debtor, file a carbon, photographic, or other reproduction of any financing statement or of the herein AGREEMENT for use as a financing statement. Secured Party shall not be required taking any steps necessary in preserving any third-parties rights in the collateral, nor shall secured party be required protecting, preserving, or maintaining any security interest given any third-parties to secure the collateral. This is a continuing security agreement and will continue in effect even though all or any part of the indebtedness is satisfied or paid-in-full and even though for a

period of time Debtor may not be indebted to secured party.

DEFAULT

Events of Default

Each of the following shall constitute an "event of default" under the herein AGREEMENT:

INTENDED PURPOSE OF THE HEREIN COMMERCIAL SECURITY AGREEMENT

The herein AGREEMENT was established for giving notice, by the parties, of the cancellation of the secured party's pledged live birth application (financing statement) in 1963, by her mother. The herein act of cancellation, by the secured party, re-establishes secured party's rightful status and title on the original jurisdiction side of government and at the same time reclaims her rightful power to protect her unalienable rights. Per the herein AGREEMENT, the secured party no longer is or acts as a co-business partner, attorney-in-fact, trustee, fiduciary, or accommodation party for the Debtor under the old creditor. The public government should no longer assume or presume the secured party is the accommodation party of or for the Debtor/14th Amendment person/U.S. Citizen/resident. For prior to the herein AGREEMENT, the Debtor was a 14th Amendment person/U.S. Citizen/resident who was subject to the public side of government. But, since the herein AGREEMENT, the Debtor has acquired a new status of being a private party/alien on the public side of government and is now subject to the control of the new creditor (secured party), in the original jurisdiction. Therefore, per the herein

AGREEMENT, the secured party is the creditor or "holder-in-due-course" of the current Debtor/person/alien, and the secured party has secured the priority claim on all the rights, privileges, interest, and titles of the Debtor, and the Debtor's collateral is now private in nature and is no longer pledged for the use on the public side of government.

The herein AGREEMENT serves as NOTICE that the secured party, being a "live" actual man, has a priority claim and title on the Debtor, above that of any corporate STATE or corporate FEDERAL STATE. As creditor or holder-in-due-course of the Debtor, or individual, or organization, the secured party (being a live man) gives NOTICE of his intent operating under nature's God, instead of the God of the STATE; and gives NOTICE of his intent NOT to be a surety for the use of the purported "Federal Reserve Notes" (tokens/coupons) and the debt of the public; and, secured party gives NOTICE that the assigned social security account number associated with the all caps Debtor is that of the Debtor, NOT the Secured Party; and, Secured Party gives NOTICE that the Debtor, prior to the herein AGREEMENT, was a 14th Amendment person/U.S. Citizen/resident and subject to the public side of government, but is now a Debtor person/alien and under the private control and direction of the Secured Party.

MISCELLANEOUS PROVISIONS

The following presumptions shall be conclusively established regarding the meaning of all words

AMENDMENTS

The herein AGREEMENT, together with any related documents and/or endorsements, constitute the entire understanding and agreement of the parties as to the matters set forth. No alteration of or amendment to the herein AGREEMENT shall be effective unless expressed in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment. SEVERABILITY. Should any portion of the herein AGREEMENT be judicially determined being invalid or unenforceable, the remainder of the herein AGREEMENT shall not be affected by such determination and shall remain in full force and effect. If feasible, any such offending provision shall be deemed being modified, and shall be within the limits of enforceability, or validity; however, if the offending provision cannot be so modified, such offending provision shall be stricken and all other provisions of the herein AGREEMENT in all other respects shall remain valid and enforceable.

WAIVER

Secured Party shall not be deemed having waived any rights under the herein AGREEMENT unless such waiver is given in writing and signed by Secured Party. No delay or omission on the part of Secured Party in exercising any right shall operate as a waiver of such right or any other right. A waiver by Secured Party of a provision of the herein AGREEMENT shall not prejudice or constitute a waiver of Secured Party's right otherwise to demand strict compliance with that provision or any other provision of the herein AGREEMENT. No prior waiver by Secured Party, nor any course of dealing between Secured Party and Debtor, is required under the herein AGREEMENT, nor shall constitute a waiver of any of Secured Party's rights or any of Debtor's obligations regarding any future transactions. Whenever the granting of consent by Secured Party is sought or required by the herein AGREEMENT, in any instance, shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of the Secured Party.

"From the earliest times the law has enforced rights and exacted liabilities by utilizing a corporate concept – by recognizing, that is, juristic persons other than human beings. The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library. The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrying on their affairs through what is now the familiar device of the corporation. Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And none the worse for it. No doubt, "Metaphors in law are to be narrowly watched." Cardozo, J., in Berkey v. Third Avenue R. Co., 244 N.Y. 84, 94. "But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason." See U.S. v. SCOPHONY CORP. OF AMERICA, 333 U.S. 795; 68 S.Ct. 855; 1948 U.S."
