# Toolbox: Get 'government' to lawfully agree you're not a person subject to Acts

– Posted on 23/11/2009

C

## reating Sovereign Law – Practice and Procedure

Article and [sample documents](#) courtesy of Matt

### Affidavit process

It troubles me to see so many messing around with PCNs, debt collectors, statutes etc. The affidavit process below is to hopefully give you an option to free you from all that.

**Q.** Would you like a lawfully binding way to stop messing around with arguing FIXED PENALTY CHARGES, debt collectors, council tax, utility companies, TV licensing etc? A way that creates the lawfully binding and irrefutable void between you and the legal 'person' and can demonstrate to all parties that you as a man/woman are not lawfully liable for any public entity or public debt/liability; as well as any other FACTS that you may want to use for a particular purpose?

I am guessing the answer is yes. Then Affidavits, I believe, are your way forward.

A 'private' affidavit, if the whole process is done correctly, creates a 'lawfully' binding agreement/contract between the parties that rises far, far above any 'legal' contract/agreement; in fact as paperwork goes, an affidavit from the 'private' side is superior to all other documents, full stop! You could go as far as to term the private un-rebutted affidavit as 'Sovereign Law' because an affidavit from the private side and sworn under unlimited commercial liability indicates that a sentient living private man/woman is behind it, and therefore a Sovereign. (Warning – Please make sure that whatever you put on an affidavit is your truth).

I have attached an affidavit for you to peruse and use if you wish. I have actually used this affidavit in a slightly longer format, yet I have removed a few points that I used as they may have been confusing to some, yet as you will see the points on the attached affidavit create an agreement (law of the parties) that would cover, I believe, every eventuality between the private (real) and public (fiction). If you cannot stand-under any of the points on the attached affidavit then remove them or research them until you are convinced without a shadow-of-doubt that they are now your truth.
