President Clinton signed it later and continued the program in the United States. Agenda 21 is 'soft-law' and did not have to be voted on by the Congress. A non-governmental organization called the International Council of Local Environmental Initiatives, ICLEI, is tasked with carrying out the goals of Agenda 21. Over 600 cities in the U.S. are members, and that number is growing. The costs are paid by taxpayers.

10			War Power Act of 1862 allowed President & Congress to change statutes that guaranteed the people juries to rule on both law and the facts. Also, took away right to be judged by your peers.
11			When the American people began to criticize the aristocratic arrogance of President John Adams in 1797, the Federalists in Congress enacted the <i>Aliens and Sedition Act of 1798</i> which made it a crime for any citizen to criticize the Chief Executive. Ten US citizens were charged under the <i>Alien and Sedition Act of 1798</i> . All were found guilty by the US Supreme Court which tried them (giving them no right to appeal), had their property seized and were each imprisoned for four months. http://www.newswithviews.com/Ryter/jon307.htm
